ADCON: Your Trusted Partner in Manpower Solutions

At ADCON, we take pride in being a leading provider of comprehensive manpower services that empower businesses to operate efficiently and achieve their goals. With a strong commitment to excellence, reliability, and client satisfaction, we deliver workforce solutions designed to meet the unique needs of every industry we serve. Our mission is simple — to connect the right people with the right opportunities, ensuring that organizations have the skilled, motivated, and dependable personnel they need to succeed.

We specialize in supplying a wide range of manpower — from general laborers, construction workers, cleaners, and security personnel to administrative staff, technicians, and specialized professionals. Whether you require temporary staffing for short-term projects or permanent placements to strengthen your core team, ADCON provides flexible and tailored solutions that align with your operational requirements.

Our team of experts carefully screens, trains, and deploys qualified individuals who uphold the highest standards of performance, safety, and integrity. We understand that people are the foundation of every successful business, and that's why we go beyond traditional recruitment — offering full workforce management services that include supervision, scheduling, performance monitoring, and HR support.

At ADCON, we value long-term partnerships built on trust, transparency, and results. We work closely with our clients to understand their objectives and deliver manpower solutions that enhance productivity, reduce administrative burdens, and ensure seamless business operations.

Our Scope
Explanation

ADCON: Building Excellence Through Quality and Commitment

At ADCON, we are dedicated to shaping progress through innovative and reliable general construction services. With a strong foundation built on trust, professionalism, and quality workmanship, ADCON has become a dependable partner for clients seeking efficient and cost-effective construction solutions. We take pride in delivering projects that stand the test of time — combining modern techniques, skilled manpower, and a passion for excellence to meet the evolving demands of the industry.

Our scope of work covers the full range of construction services, including site development, structural and civil works, architectural finishing, electrical and mechanical installations, renovation, and maintenance. Whether for residential, commercial, or industrial projects, ADCON ensures each phase of construction is executed with precision, efficiency, and strict adherence to safety and environmental standards. Our experienced engineers, project managers, and craftsmen work hand in hand to guarantee quality results that reflect both our technical expertise and our clients' vision.

At ADCON, we believe that every project is more than just a structure — it's a commitment to build something meaningful, functional, and lasting. We focus on understanding our clients' specific requirements, providing tailored solutions, and ensuring that every detail aligns with their expectations. Through clear communication, teamwork, and dedication, we deliver projects on time and within budget without compromising quality.

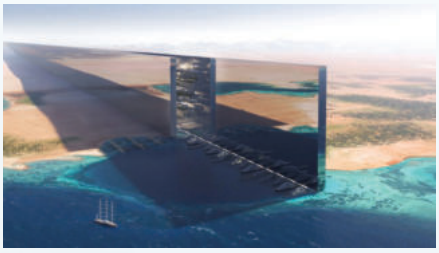

Driven by our mission to create sustainable and enduring infrastructure, ADCON continues to raise the bar in the construction industry. We don't just build structures; we build partnerships and trust. With ADCON as your construction partner, you can expect a seamless process, superior workmanship, and results that truly stand as a testament to our promise — Building Excellence Through Quality and Commitment.

www.adconsa.com

A D C O N

ADNAN GENERAL SERVICES CONTRACTING CO. LTD.

BE PATIENT AND COURTEOUS

Be Inclusive;
We welcome and support people of all backgrounds. This inclution is not limited to members of any gender identity and expression, race, ethnicity, culture, national origin, social and economic class, educational level, color, immigration status, sex, age, size, family status, political belief, religion, and mental and physical ability.

Be Considerate;
We all depend on each other to produce the best work we can as a company. Our decisions will affect clients and colleagues, and we take those consequences into account when making decisions.

Be Respectful;
We won't all agree all the time, but disagreement is no excuse for disrespectful behavior. We all experience frustration from time to time, but we do not allow that frustration become personal attacks. We maintain an environment where people feel uncomfortable or threatened is not a productive or creative one.

OUR DIFFERENCES CAN BE OUR STRENGTHS.

We can find strength in diversity with different people have different perspectives on issues, and that can be valuable for solving problems or generating new ideas. Being unable to understand why someone holds a viewpoint doesn't mean that they're wrong (everyone is main character to their view). We all make mistakes, and blaming each other doesn't get us anywhere but learning to co-exist can build a better tomorrow.

CREATE A CULTURE OF OPEN AND HONEST COMMUNICATION

with us everyone should feel comfortable to speak his or her mind, particularly with respect to ethics concerns. Managers have a responsibility to create an open and supportive environment where employees feel comfortable raising such questions. We all benefit tremendously when employees exercise their power to prevent mistakes or wrongdoing by asking the right questions at the right times.

UPHOLD THE LAW

Our rules and regulations where we do business. Further, each of us must understand the company policies, laws, rules and regulations that apply to our specific roles.
If we are unsure of whether a contemplated action is permitted by law our policy, we seek the advice from the resource expert. We are responsible for preventing violations of law and for speaking up if we see possible violations.

SELECTIVE DISCLOSURE

We will not selectively disclose (whether in one-on-one or small discussions, meetings, presentations, proposals or otherwise) any material non-public information with respect to its securities, business operations, plans, financial condition, results of operations or any development plan. We are particularly vigilant when making presentations or proposals to customers to ensure that our presentations do not contain material which are non-public information.
